A simple, well proportioned design which showcases the natural beauty of this decorative timber. Cabinet tops, drawer fronts & posts are manufactured from solid American Ash, which along with traditional multi-groove doweled construction ensures rigidity and longevity. Cabinet drawers are polished inside and out and glide effortlessly on European Quadro ball bearing runners. Cabinet end panels and headboard panels are American Ash Timber veneer.

American White Ash is a beautifully grained hardwood that is grown on the East Coast of the United States.

Appreciated for its density stability and attractive grain, White Ash is ideal for furniture construction and suited to both classic and contemporary styles.
