ECO
protect

Eco protect Sustainability is a key issue when sourcing quality New Zealand furniture from native timbers, and Sorenmobler source all of their timber from sustainably managed forest blocks. It is a Ministry of Forestry requirement that all native timber is milled with an approved permit and that the miller ensures the ongoing ecological viability of the forest by planting a number of seedlings for every tree milled.

Whisper
smooth

Whisper smooth drawer runners These super smooth German-made runners glide effortlessly on a patented 4 way ball bearing system. Guaranteed for life, they carry a 25kg load rating and a unique self-closing mechanism to prevent rollout.

TUFF
coat

Tuff coat Multi-stage, smooth and durable, Sorenmobler's two-pack finishing system enhances and protects, giving a long lasting, beautifully smooth and easy care finish.

Intalock
drawers

Intalock drawers Solid timber drawers utilising the legendary dovetail construction method. Absent from most imported or lesser quality furniture but used universally on quality Sorenmobler furniture. This centuries-old drawer joining system utilises an interlocking dovetail join for exceptional strength and longevity. Sorenmobler drawers are polished for easy care use.

SWIFT
send

Sorenmobler not only produce high quality, well designed furniture but can also offer exceptional delivery on this Linear Collection of fine Rimu Bedroom Furniture. Due to our flexible daily scheduling and component storage we are able to offer a prompt order to dispatch service.

The Linear Rimu Bedroom Collection from Sorenmobler is a classic design from New Zealand Rimu. It incorporates those quality, Sorenmobler features which customers have grown to expect from New Zealand's Premier Solid Timber Furniture Manufacturer.

Solid Feature grade New Zealand Rimu is showcased through-out this collection in the 30mm thick cabinet tops and richly grained drawer fronts. Inherent in this character grade of Rimu are minor inconsistencies in the surface finish. Premium grade veneers are utilised where ever stability is paramount such as in the cabinet end panels and headboard panels.
