# River Crossings

Bedroom Collection

River Crossings 7 Drawer Chest & Queen Headboard

River Crossings 3 Drawer Bedside & 8 Drawer Dresser with Mirror

Comfortably traditional, the River Crossings collection of bedroom furniture is available in New Zealand Rimu and will appeal to those who value fine craftsmanship and balanced design. The collections hallmark design elements include arched moulded plinths, bevelled drawer fronts, plinth base feet and antiqued bail handles.

We would also like to bring your attention to the hidden features of enduring quality. Pull out the drawers and you will notice the silent, smooth operation of the whisper quiet Quadro ballbearing runners from Europe. These have a 25kg load rating and carry a life time warranty.

Another detail not found on many bedroom suites, we not only dovetail our drawers, they are also polished inside and out for smooth snag free storage.

Now what about cabinet construction? Is it just nailed together? How are the moulded accent pieces attached? Can you see any filled nail holes?

Obviously not, because River Crossings utilises many time tested constructional techniques like mortise and tennoned joints, multi-grooved dowel and glue construction.

So while River Crossings pays homage to past designs it also successfully blends modern hardware and durable acid catalysed lacquer finishes into a Rimu bedroom collection to enhance your lifestyle.
