Verso Ridge Chair

Timber

Used extensively in high quality furniture, New Zealand Rimu has a rich colour and figured decorative grain. This native timber is only found in New Zealand and can only be milled under Ministry of Forestry Sustainable Yield Plans or Permits. This ensures only minimal amounts of timber are milled each year, allowing regrowth and sustainability for future generations. Careful seasoning and kiln-drying contribute to a stable long-lasting product.

Dining Room Collection

The Verso range of solid timber Dining Room Furniture represents exceptional value for the New Zealand consumer. It is manufactured in New Zealand by skilled craftsmen to the highest standards and utilises many time tested constructional techniques. Sorenmobler's range of Verso Furniture features decorative coloured Rimu on all table tops and premium grade sap Rimu in most other areas.

Verso Chairs

Verso Chairs are specifically designed for comfort and durability. Multi-groove hardwood dowels combine with screwed and glued corner blocks and lower side rails to add strength and stability. The Padded Back, Slatted Back and Ridge Chair styles are exceptionally comfortable and are available in a range of standard fabric colourways. Any other fabric or genuine NZ leather of the customers choice is readily available on request.

Verso Tables

Verso Dining Tables are manufactured from solid New Zealand Rimu and are available in a range of sizes in both fixed and extension formats (see back page for full specifications).

With three size options to choose from, Verso Extension Tables are a versatile option for accommodating extra guests when required. All tables feature easy to use, butterfly leaf extensions that simply fold away inside the table frame when not in use.

Carefully selected, premium grade timber, accurate machining and consistent sanding underpins the quality of the satin clear coat finishing system. This two-pack, multi-coat system is exceptional in the way it both enhances the beautiful Rimu grain and protects the timber, providing a durable, easy care finish for your Verso Dining Table.

This Dining Collection is a Classic design, manufactured to provide years of enjoyment and serviceability.
