Bedroom Collection

Sorenmobler has been creating beautiful furniture since 1976. For over 42 years the Sorensen family and team have been making furniture to stand the test of time and be tomorrow's antiques.

Opera 4 Drawer Lowboy

This collection from Sorenmobler is an original design classic developed for the discerning consumer who requires attention to detail in a timeless hand crafted design. Featuring solid New Zealand Rimu, the Opera Collection is manufactured in New Zealand to a timeless traditional design. New Zealand Rimu is a highly sought after decorative timber featuring a rich colour and attractive grain. The Opera Collection makes extensive use of this timber with solid drawer fronts, cabinet tops, and moulded plinths. Where stability is an issue, such as in headboard panels and cabinet ends, Rimu Timber veneer is utilised and drawer bottoms and cabinet backs feature plywood for strength and rigidity.

### Intalock Drawers

Quality constructional techniques include dovetailed drawers, dowelled or mortised carcass construction and an assembly process that eliminates any fixing through the mouldings or face frame.

### Whisper Smooth Runners

Drawers are polished inside and out and operate smoothly on whisper quiet Quadro Ballbearing runners. These 25kg rated European manufactured runners carry a lifetime warranty and are of a type which are concealed out of sight beneath the drawer carcass.

### Eco Protect Timber

Environmental issues are always of a concern when making a high value purchase. Sorenmobler is committed to sourcing NZ Rimu from Ministry of Forestry approved sustainable yield plans and permits. This ensures an ongoing supply (albeit small) of this increasingly valuable resource, and also that the overall forest eco-systems are maintained.

### The Opera Finish - Tuff Coat

All pieces in the Opera Collection are highlighted by a high quality two-pack finish coat. This durable smooth finish is easily maintained in its original lustre by keeping the surface clean and dry. A choice of handles is available as shown or the customers own handles can be fitted. (This may incur an extra cost).

Experience over more than 30 years has proved the value of spending the time and effort in traditional construction combined with the best of materials to produce furniture of enduring design and craftsmanship.

Sorenmobler not only produce high quality, well designed furniture but can also offer exceptional delivery on this Opera Collection of fine Rimu Bedroom Furniture. Due to our flexible daily scheduling and component storage we are able to offer a 4 week order to dispatch promise on all orders.
