THE DESIGN

The Ash Cove Collection features an asymmetric, sleek design with metal handles and bases. The asymmetry and hardware make it a contemporary and versatile range for any home.

AMERICAN ASH

American White Ash is a beautifully grained hardwood that is grown on the East Coast of the United States. Appreciated for its density stability and attractive grain, White Ash is ideal for furniture construction and suited to both classic and contemporary styles.

ABOUT SORENMÖBLER

For three generations the Sorensen family has been creating quality, memorable furniture right here in New Zealand.

We're a family of builders, creators and makers, carrying the tradition of our forebears in Denmark in the 1800s, to our great grandfather's design and build company in Auckland, to today, now in our large workshop in Whanganui.

Buy from Sorenmobler and you buy furniture made from wood grown over many seasons and years. We're part of the "slow furniture" movement. When you buy from Sorenmobler, you're buying from a team of experienced New Zealand craftsmen. Each piece of furniture is quality checked at every stage of making. It's created to our exacting standards, cared for by each person in our team.

Each piece of Sorenmobler honours the past, is created in our present, and is built to last well into our future.
