Sørenmøbler has been creating beautiful furniture since 1976. For over 42 years the Sorensen family and team have been making furniture to stand the test of time and be tomorrow's antiques.

Crafted from North American White Ash timber imported from the eastern coast of the United States, the Vienna range has an attractive, natural timber grain.

American Ash is known for its durability and quality, allowing us to offer our 10-year manufacturers warranty.

Inspired by the grand imperial palaces and architecture in Vienna, our designers focused on incorporating these style notes into the range with smooth curves, circular beading, plinth bases and careful proportions.

The Vienna Luxe Dining Table, Hall Table and Coffee Table feature the curved base and plinth molding unique to this range.

The Vienna Buffet integrates the curved design with circular cut beading detail on the doors. This is then highlighted with Antique or Mirror glass, creating a stunning showcase piece for any home.

The well-proportioned Vienna Dining chair comes in a slatted or padded back style and is upholstered in a range of specified Charles Parsons and Warwick fabrics.
