Beautiful workmanship and quality design come together in a perfect natural mix in this New Zealand made Bedroom Suite. The solid, grounded design creates the perfect base to build your dream bedroom look, just add linens and pillows to complete your serene space.

## TIMBER

Huntsman is made here in New Zealand from FSC certified American White Ash timber and is available in a range of timber colours to suit. American Ash is a beautifully grained hardwood grown on the East Coast of the United States. Appreciated for its density, stability and attractive grain, White Ash is ideal for furniture construction.

## MADE IN NZ

Huntsman is made in Whanganui, New Zealand by skilled craftsmen. Your assurance of quality furniture from beautiful timbers.

## SOFT CLOSE

Huntsman drawers operate on whisper smooth, soft close runners.

## INTALOCK DRAWERS

Drawers are constructed using the traditional dovetailed method which is a mechanical, interlocking joint which will not come apart.

## ABOUT SORENMObLER

For three generations the Sorensen family has been creating quality, memorable furniture right here in New Zealand.

We're a family of builders, creators and makers, carrying the tradition of our forebears in Denmark in the 1800s, to our great grandfather's design and build company in Auckland, to today, now in our large workshop in Whanganui.

Buy from Sorenmobler and you buy furniture made from wood grown over many seasons and years. We're part of the "slow furniture" movement. When you buy from Sorenmobler, you're buying from a team of experienced New Zealand craftsmen. Each piece of furniture is quality checked at every stage of making. It's created to our exacting standards, cared for by each person in our team.

Each piece of Sorenmobler honours the past, is created in our present, and is built to last well into our future.
