Remarkable furniture from remarkable New Zealand timbers.

Contemporary design coupled with amazing timber creates this outstanding Solaris Bedroom Collection. Smooth flowing lines, concealed finger pulls, rounded corners, minimal overhangs and richly figured grains are all trademarks of this outstanding original design.

New Zealand Rimu is one of the world's most decorative timbers and features a wide variation of grain patterns and colour hues. Sorenmobler's attention to detail and traditional multistage, two-pack finishing process enhances the natural beauty of the grain as well as protecting it.

Solaris has a number of interesting pieces including both a timber slat headboard and a padded option.

## ABOUT SORENMOBLER

For three generations the Sorensen family has been creating quality, memorable furniture right here in New Zealand.

We're a family of builders, creators and makers, carrying the tradition of our forebears in Denmark in the 1800s, to our great grandfather's design and build company in Auckland, to today, now in our large workshop in Whanganui.

Buy from Sorenmobler and you buy furniture made from wood grown over many seasons and years. We're part of the "slow furniture" movement. When you buy from Sorenmobler, you're buying from a team of experienced New Zealand craftsmen. Each piece of furniture is quality checked at every stage of making. It's created to our exacting standards, cared for by each person in our team.

Each piece of Sorenmobler honours the past, is created in our present, and is built to last well into our future.
