distinctive american oak dining furniture

sørenmobler

The Attrå Collection is a great range of New Zealand designed and manufactured contemporary Dining Room Furniture that combines exceptional quality with style and versatility.

Manufactured from premium grades of Solid American White Oak, the Attrå Dining Collection features simple clean lines, and solid timber construction especially suited to the discerning consumer looking for New Zealand made furniture with a contemporary feel.

Through-out the collection, only the finest premium grade timbers are used along with European hardware and time tested constructional techniques. This ensures a long-lasting product which will continue to give design presence and ease of use for many years.

Customisation

Tables

The key to any interior design fit-out is to choose the right design which is also the right size. Sorenmobler can offer you this flexibility on many of the Attrå Dining Collection pieces. Fixed top dining tables come in a range of standard sizes, but more importantly can be configured to any special dimensions that are within the scope of the design and construction. This means most lengths from 1000 x 700 to 3000 x 1200 can be custom made upon special quote.

Attrå Collection - Finish and Colour

For durability and smoothness of finish, you can't beat Sorenmobler's two pack finishing system. This multi-stage finishing process uses the best of two-pack sealers and finishing coats to give an exceptional deep lustre to this amazing timber. The Attrå Collection is available in 6 standard colours – Natural Oak, Honey Oak, Medium Oak, Chocolate Oak, Wenge Oak or White Wash. If it is necessary to colour match some existing pieces of furniture, Sorenmobler will be able to eye match your colour sample to the Attrå Dining pieces that you have chosen.

Cabinet Size

Attrå Cabinets are another area where there is some flexibility with length and height so that the unit will fit into that special space. Heights are for 2, 3 or 4 drawers and lengths between 900mm and 2400mm. Parametric CNC programming and a 5 axis CNC machining centre enables Sorenmobler to customise certain dimensions to accommodate your space requirements. Once we have the details of what you require, we will provide a priced drawing for this.

Attrå Extension Table
Custom size in White Wash
2400 x 1200 - 3200 x 1200 mm

Attrå Chairs - any fabric of your choice

Sorenmobler Chairs are renowned for their style and comfort, and Attrå Chairs are no exception. Both the slatted back and padded back chairs provide excellent comfort and lumbar support, while beneath the surface, multi-groove dowels, double screwed glue blocks and lower side stretcher rails give added strength. Your choice of fabric is unlimited; whatever you choose our experienced upholstery department will use this fabric to cover the seats and backs of your Attrå Chairs. Moulded ply sets and high density foams are a guarantee of long lasting comfort.

Cabinets and Occasional Furniture

Attrå Coffee tables and lamp tables are simple and uncluttered design but remain essentially functional. A neat concealed drawer is a feature on the 1200 Attrå Coffee Table and the Lamp tables can be configured at several heights and sizes.

The ultimate, Quadro silent close, ball-bearing drawer runners are used on dovetailed drawers in all cabinets. These runners are beautifully smooth and quiet, carry a 30kg rating, a life-time warranty, and provide effortless operation time after time. Drawers are also polished inside and out with cabinets using time honored glued and dowelled construction for rigidity and strength.

Leg options available on request

All Attrå Dining Furniture carries a 5 year manufacturer's warranty applicable to the original purchaser and for domestic use only. This is subject to Sorenmobler terms and conditions. Sorenmobler reserves the right to change designs and specifications without prior notice. Colour is as accurate as printing process allows and will vary from suite to suite due to timber being a natural product. Care is as simple as a regular wipe down to clean. Keep out of direct sunlight and away from direct heat sources.
