Louis Padded Bedstead

The Chateau Collection is French Provincial Furniture at its best. A classic design from the 17th Century, Chateau beautifully blends nostalgia with functionality and quality.

A silky smooth off-white finish allows the distinctive grain of the Ash timber to show through. Hand carved highlights and moulding details are made from Solid Birch timber and this skilled hand work is characterised by slight variations and individuality. The lightly antiqued finish adds a distinctive aura to this classical design. These exquisite details are typical of this designer furniture collection, which includes lovely accent pieces such as the Cheval Mirror, Bedroom Chair and Bed End Stool.

A must have for connoisseurs of furniture from this elegant period of French Furniture history.

Beautiful furniture sourced internationally and supported by local furniture manufacturers Sorenmobler.
