MILFORD

BEDROOM COLLECTION

DESIGN

Milford Bedroom is a striking, timeless design that takes centre stage of any room. The Milford case goods feature panelled detail that runs over the top and sides giving a strong, grounded look to the design. The extra wide padded headboard in fabric of your choice exudes a luxurious feel, creating the bedroom sanctuary of your dreams. Large drawers that operate on smooth, high quality runners offer ample storage space for all your needs.

TIMBER

Milford is made here in New Zealand from FSC certified American White Ash timber and is available in a range of timber colours to suit. American Ash is a beautifully grained hardwood grown on the East Coast of the United States. Appreciated for its density, stability and attractive grain, White Ash is ideal for furniture construction.

ABOUT SORENMOBLER

For three generations the Sorensen family has been creating quality, memorable furniture right here in New Zealand.

We're a family of builders, creators and makers, carrying the tradition of our forebears in Denmark in the 1800s, to our great grandfather's design and build company in Auckland, to today, now in our large workshop in Whanganui.

Buy from Sorenmobler and you buy furniture made from wood grown over many seasons and years. We're part of the "slow furniture" movement. When you buy from Sorenmobler, you're buying from a team of experienced New Zealand craftsmen. Each piece of furniture is quality checked at every stage of making. It's created to our exacting standards, cared for by each person in our team.

Each piece of Sorenmobler honours the past, is created in our present, and is built to last well into our future.
