River Crossings

Bedroom Collection

River Crossings 7 Drawer Chest & Queen Headboard

River Crossings Duvet Foot

River Crossings 3 Drawer Bedside & 8 Drawer Dresser with Mirror

Comfortably traditional, the River Crossings collection of bedroom furniture is available in New Zealand Rimu and will appeal to those who value fine craftsmanship and balanced design. The collections hallmark design elements include arched moulded plinths, bevelled drawer fronts, plinth base feet and antiqued bail handles.

This collection from Sorenmobler is an original design classic developed for the discerning consumer who requires attention to detail in a timeless hand crafted design. Featuring solid New Zealand Rimu, the River Crossings Collection is manufactured in New Zealand to a timeless traditional design. New Zealand Rimu is a highly sought after decorative timber featuring a rich colour and attractive grain. The River Crossings Collection makes extensive use of this timber with solid drawer fronts, cabinet tops, and moulded plinths. Where stability is an issue, such as in headboard panels and cabinet ends, Rimu Timber veneer is utilised and drawer bottoms and cabinet backs feature plywood for strength and rigidity.

Intalock Drawers

Quality constructional techniques include dovetailed drawers, dowelled or mortised carcass construction and an assembly process that eliminates any fixing through the mouldings or face frame.

Whisper Smooth Runners

Drawers are polished inside and out and operate smoothly on whisper quiet Quadro Ballbearing runners. These 25kg rated European manufactured runners carry a lifetime warranty and are of a type which are concealed out of sight beneath the drawer carcass.

Eco Protect Timber

Environmental issues are always of a concern when making a high value purchase. Sorenmobler is committed to sourcing NZ Rimu from Ministry of Forestry approved sustainable yield plans and permits. This ensures an ongoing supply (albeit small) of this increasingly valuable resource, and also that the overall forest eco-systems are maintained.

Tuff Coat

All pieces in the Opera Collection are highlighted by a high quality two-pack finish coat. This durable smooth finish is easily maintained in its original lustre by keeping the surface clean and dry. A choice of handles is available as shown or the customers own handles can be fitted. (This may incur an extra cost).

Care Instructions

- Keep clean by wiping with a warm damp cloth and a little detergent and dry with a soft cloth.
- Avoid direct sunlight as much as possible, keep away from other heat sources.
- Do not use any furniture polish containing silicon.

sørenmobler

Manufacturer reserves the right to change sizes and specifications without prior notice.

Colour is as accurate as printing process allows and will vary from suite to suite due to timber being a natural product.
