Remarkable furniture from remarkable New Zealand timbers.

Contemporary design coupled with amazing timber creates this outstanding Solaris Bedroom Collection. Smooth flowing lines, concealed finger pulls, rounded corners, minimal overhangs and richly figured grains are all trademarks of this outstanding original design.

New Zealand Rimu is one of the world's most decorative timbers and features a wide variation of grain patterns and colour hues. Sorenmobler's attention to detail and traditional multistage, two-pack finishing process enhances the natural beauty of the grain as well as protecting it.

Solaris has a number of interesting pieces including both a timber slat headboard and a padded option. There is a range of 5 colours to choose from for the headboard – Stone, Wedgewood, Smoke, Bark and Spice.
