Intalock Drawers

Quality constructional techniques include dovetailed drawers, dowelled or mortised carcass construction and an assembly process that eliminates any fixing through the mouldings or face frame.

#### Soft Close

Opera drawers operate on whisper smooth, soft close runners.

### Eco Protect Timber

Environmental issues are always of a concern when making a high value purchase. Sorenmobler is committed to sourcing NZ Rimu from Ministry of Forestry approved sustainable yield plans and permits. This ensures an ongoing supply (albeit small) of this increasingly valuable resource, and also that the overall forest eco-systems are maintained.

Sorenmobler has been creating beautiful furniture since 1976. For over 46 years the Sorensen family and team have been making furniture to stand the test of time and be tomorrow's antiques.

#### The Opera Finish - Tuff Coat

All pieces in the Opera Collection are highlighted by a high quality two-pack finish coat. This durable smooth finish is easily maintained in its original lustre by keeping the surface clean and dry. A choice of handles is available as shown or the customers own handles can be fitted. (This may incur an extra cost).

Experience over more than 30 years has proved the value of spending the time and effort in traditional construction combined with the best of materials to produce furniture of enduring design and craftsmanship.

#### **ABOUT SORENMOBLER**

For three generations the Sorensen family has been creating quality, memorable furniture right here in New Zealand.

We're a family of builders, creators and makers, carrying the tradition of our forebears in Denmark in the 1800s, to our great grandfather's design and build company in Auckland, to today, now in our large workshop in Whanganui.

Buy from Sorenmobler and you buy furniture made from wood grown over many seasons and years. We're part of the "slow furniture" movement. When you buy from Sorenmobler, you're buying from a team of experienced New Zealand craftsmen. Each piece of furniture is quality checked at every stage of making. It's created to our exacting standards, cared for by each person in our team.

Each piece of Sorenmobler honours the past, is created in our present, and is built to last well into our future.

attention to detail in a timeless hand crafted design. Featuring solid New Zealand Rimu, the Opera Collection is manufactured in New Zealand to a timeless traditional design. New Zealand Rimu is a highly sought after decorative

timber featuring a rich colour and attractive grain. The Opera Collection makes extensive use of this timber with solid drawer fronts, cabinet tops, and moulded plinths. Where stability is an issue, such as in headboard panels and cabinet ends, Rimu Timber veneer is utilised and drawer bottoms and cabinet backs feature plywood for strength and rigidity.
