Design

Wyuna Bay is a modern, clean design showcasing the beautiful timber grain with metal features in the bases and handles giving a subtle industrial feel.

The asymmetry and fine details on the hardware make it contemporary and versatile. Timeless design, made to last forever.

Timber

American White Ash is a beautifully grained hardwood that is grown on the East Coast of the United States.

Appreciated for its density stability and attractive grain, White Ash is ideal for furniture construction and suited to both classic and contemporary styles.
